Civil Action No. SA-08-CV-991-XR

ORDER ON MAGISTRATE JUDGE'S MEMORANDUM & RECOMMENDATION

On this date, the Court considered the United State Magistrate Judge's Memorandum and Recommendation, filed December 14, 2009, in the above-numbered and styled case (Docket Entry No. 20). After careful consideration, the Court ACCEPTS the Magistrate Judge's recommendation to affirm the Commissioner's decision.

Any party who desires to object to a Magistrate Judge's findings and recommendations must serve and file her written objections within fourteen days after being served with a copy of the findings and recommendations. 28 U.S.C. § 636(b)(1); FED. R. CIV. P. 72(b). The Magistrate Judge issued her Memorandum and Recommendation on December 14, 2009. The Report and Recommendation was entered on the docket and Plaintiff's counsel was served via the Court Management/Electronic Case Filing System on December 14, 2009. Accordingly, objections were due by January 4, 2010. Because no party has objected to the Magistrate Judge's Memorandum and Recommendation, the Court need not conduct a de novo review. *See* 28 U.S.C. § 636(b)(1) ("A judge of the court shall make a de novo determination of those portions of the report or specified proposed findings or recommendations to which objection is made.").

In this case, Plaintiff Carol Gres seeks review of the Commissioner's decision to deny her applications for disability income benefits and supplemental social security insurance benefits. The Administrative Law Judge determined that Gres was not disabled within the meaning of the Act, finding that she does not have an impairment or combination of impairments that has significantly limited (or is expected to significantly limit) her ability to perform basic work-related activities for twelve consecutive months. The Magistrate Judge concluded that this finding was supported by substantial evidence and that the ALJ's decision comported with the correct legal standards.

The Court has reviewed the Memorandum and Recommendation and finds it to be neither clearly erroneous nor contrary to law. *United States v. Wilson*, 864 F.2d 1219, 1221 (5th Cir.), *cert. denied*, 492 U.S. 918 (1989). Accordingly, the Court ACCEPTS the Magistrate Judge's recommendations to deny Gres's request for relief and affirm the Commissioner's decision to deny benefits.

It is so ORDERED.

SIGNED this 5th day of January, 2010.
